विषय/ Sub:- Annual training calendar for the year 2026-27– reg.

The Annual training calendar for the year 2026-27 is prepared considering the training requirements of all the departments of the divisions of Southern Railway and training coordination meeting with the technical training institutes representing electrical /operations. The course dates are tentative in nature and subject to changes / modifications as and when required.

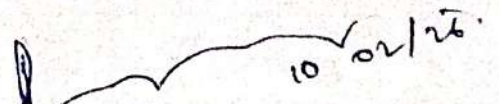

In addition to the above courses, any additional course on demand shall be catered to by MDZTI, provided advance information is given, so as to enable us to make all necessary training arrangements like Hostel, Mess, Classroom accommodation etc.

For optimum utilization of the training slots, a quota system of nomination of candidates [given below] for popular courses is recommended and divisions are requested to adhere to the same so as to enable MDZTI to serve the divisions in a better manner.

Course	MAS	MDU	PGT	SA	TPJ	TVC	Others	Total
RC SM	15	9	9	9	9	9	--	60
RC TMR	15	9	9	9	9	9	--	60
RC LP	20	10	8	15	12	10	--	75
RC ALP	15	6	6	8	5	10	--	50

It is also highly appreciable that divisions may convey MDZTI about the nomination list of the candidates being planned to be sent for the various courses reasonably in advance of the commencement of the courses, so that MDZTI can manage and preparations can be done for the smooth conduct of the courses.
